

In Memoriam

Name: Amaresh Sarkar 1958 CE

Date of Death: November 28, 2021

With a very heart this is to inform you that Amaresh Sarkar, 1958 Civil (1953 Entrant) breathed his last on 28 November 2021 in London.

His wife passed away before him. Their mortal remains are scheduled to be cremated on 13 December 2021.

After passing out from BEC, Amaresh Sarkar worked in India for some time before moving to UK and getting settled there. His younger brother Animesh Sarkar, 1965 Mechanical succumbed to COVID 19 in 2020. For his love for his alma mater, he contributed a substantial amount to BEC for creating Bijoy-Ashu Chair in Civil Engineering in memory of his father and maternal grandfather, who were alumni of BEC (Civil), but did not want to disclose his name (the donor). His mother being an alumna of Bethune College, he also donated a substantial amount to the College. There are two chairs in Bethune college in memory of his mother and grandfather.

He also contributed for swimming pool construction and visited the pool at the advanced of construction along with his batch mates.

He and his close relations felt pain when they learnt that the Chair in the Civil Engineering was kept unfilled for a long time.

Reported By Syama Prasad Datta 1967 CE

I am very saddened to learn passing away of Amaresh Sarkar. Amaresh was our classmate settled in London. I used to have a very close contact with him about 2-3 months back. He used to call me twice a month and wanted to know about all our friends. He used to have a very simple and healthy life. He told me that he did not take any medicine in his life. He never disclosed about his large donations to our Alma Mater. Last time we met Amaresh and his wife Guli at their elder son's wedding in the United States. Just a few days back, I got the news of passing away of his wife, and within about a month he also passed away. My sincere condolences to His sons Amitesh and Arunesh. May his soul Rest in Peace.
