Details about Alum's professional & personal life

With profound grief and sorrow we would like to inform that our beloved senior Shri Akhil Chandra Mandal, an alumnus of our college (1959 - Metallurgy), whose unexpected demise on 19th July 2020 at Durgapur, has shocked and saddened us all.

Shri A C Mandal after graduating from BE College, Shibpur, joined the then Hindustan Steel Limited (HSL), later SAIL, and rose to the position of Executive Director of the Company before he retired. He was a highly respected Technocrat at par with profound knowledge in Iron making and Blast Furnace operations.

Shri Mandal was a friend, philosopher and guide to us all besides being jovial, modest, thoughtful and a loving person. He will be best and most appropriately remembered for his fast socializing and mentoring. He

was one of the founding members of Shibpur Engineers' Association of Durgapur (SEAD) way back in 1960.

Shri Mandal finally settled at Durgapur after his retirement and was fully devoted for various social and religious activities besides associated with institutions like Indian Institute of Metals, Institution of Engineers, and Computer Society of India etc.

We deeply mourn his death and express our sincere condolences to his family. May his soul rest in peace.
