

In Memoriam

Name: Dhananjoy Paul 1986 CE

Date of Death: Nov 25, 2020

Dhananjoy was a true embodiment of life and energy. An ever-smiling person, who faced life with a laughter and left with the smile on. Originally from Dumdum, he joined G.S. Atwal in Kolkata on graduation from B E College, followed by various roles at Niraj Cement and SAIPEM. He also spent a considerable time on projects outside of India, with companies such as DTV & Company, DeSimone Ltd. Cappa & D'Alberto Plc across locations in Nigeria and Ghana. He returned to India in 2016 and served as the General Manager (Contracts) for McNally Bharat Engineering, followed by a position at LEA Associates in Delhi. His final assignment was as a General Manager with BCL in Lagos, Nigeria.

He was out and out a family person and his priorities were always with his near and dear ones. He had a very successful professional career and always did his duties to his family and friends. He is remembered for his very friendly demeanor and the contagious smile which would always spread amongst the persons he interacted with.

We deeply mourn his untimely demise and hope he rests in peace.
