

## In Memoriam

Name Samir Pandab ME 93

Date of Death April 29, 2021

Our dear friend Samir Pandab (aka "Pandab") of ME 93 passed away on April 29, 2021 due to covid related issues. He left behind two young kids and his wife. He worked for Tata Power. We, his friends from ME department, will remember him as an honest person who was a diamond in the rough. He had the physique of a roman gladiator and ventured to the gym 7 days a week. His work ethics and discipline in life were remarkable. Overall "Pandab" was simple person who could be trusted as a friend. He never complained and never compromised. His soccer skills will be something we will remember. We mourn his loss and cherish the memories that he left behind.
