

## In Memoriam

Name: Sakti Sarkar, 1957 Civil

Date of Death: May 24, 2020

### Details about Alum's professional & personal life

Sakti Sarkar, an eminent bridge/ structural engineer, had his own consulting organisation. He had a construction company also "Ruby Construction" and used to take contracts of bridge construction. He designed many bridges in West Bengal and other States. Some of the bridges were also constructed by him.

He was very fond of adopting innovative approach in bridge design. For his approach towards design he was liked and respected by many eminent bridge engineers. Both his son and daughter are in US and could not come due to ongoing lockdown. His wife is not keeping well. He was not keeping well for a few days. Admitted to hospital and shortly after admission he breathed his last.
