Name: Dhruvabrata Roy 1971 (Mechanical)

Date of Death: May 24, 2020

Dhruvabrata Roy 1971 (Mech) passed away on 24th May 2020 at Mumbai. He was 70 years and suffering from pancreatic cancer.

After passing out from BE College, he had a long association with Hindustan Motors Ltd, till 2005 and held the post of General Manager(R&D). Thereafter he had worked with Tata Motors (2005-2008) at Bangalore as consultant. Finally, he joined Swalka Kel Pvt Ltd at Kolkata as Vice President and worked till 2017.

He possessed a reserved personality and was very thoughtful, imaginative with strong observation skills. He loved reading creative, professional and management related books. He used to execute each and every work to the minute detail and round it off with perfection. He had a fondness for learning and teaching skills in multiple subjects like Science, Mathematics, English and imparted free tuition to many students throughout his life time despite his busy professional schedule. His singing skill particularly Rabindra sangeet was greatly appreciated by all and very popular during college days in friend circle. He left behind his wife (Mitali), only daughter (Suhrita), son in law (Omkar) and two grandchildren.
